The annual Colloquia serve to coordinate the international network of Bonhoeffer projects. They focus on the exchange and co-operation among younger research fellows dealing with the theology of Dietrich Bonhoeffer.

Partners at universities in North America, the United Kingdom, South Africa and Germany as well as the German Section of the International Bonhoeffer Society are already involved. A wider international cooperation is prospected.

The Third International Bonhoeffer Colloquium is organized by:

Gastprof. Ralf Wüstenberg
 (Freie Universität Berlin, Germany)

Dr. Stefan Heuser
 (Universität Erlangen-Nürnberg, Germany)

Co-ordinator

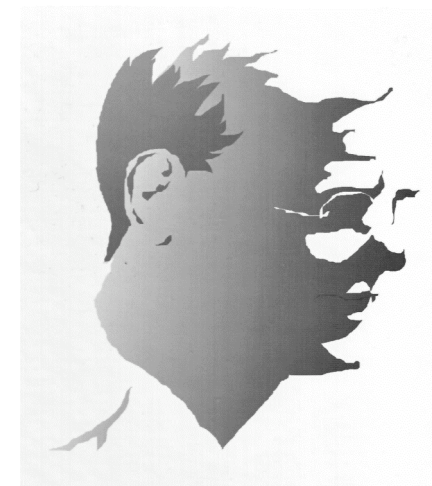

Dr. Esther Hornung
